## Outdoor Education Lead

**Position Type:** Part-Time Seasonal

**Program Schedule:**

- **Fall Program:** 6 weeks, 1 day per week (8 hours/week)
- **Spring Program:** 6 weeks, 1 day per week (8 hours/week)
- **Summer Camp:** 2 full consecutive weeks (full-time hours)

### Position Overview

The Linkous-Kipps Historical House is seeking an enthusiastic, dependable, and creative Outdoor Education Lead to lead our seasonal elementary outdoor learning program. This role is ideal for an educator who loves nature, enjoys working independently, and is passionate about teaching hands-on math and science in an outdoor setting.

The Outdoor Education Lead will design and facilitate engaging, age-appropriate outdoor lessons and activities that promote curiosity, confidence, teamwork, and environmental awareness.

This position offers the opportunity to expand program offerings and increase workload based on performance, initiative, and program growth.

### Key Responsibilities

- Plan and lead outdoor math and science lessons using experiential, nature-based learning
- Facilitate hands-on activities, games, and projects aligned with program goals
- Supervise and ensure the safety of children at all times
- Work independently to manage daily schedule and activities
- Adapt lessons and activities to various weather conditions
- Communicate effectively with program director and families as needed
- Maintain supplies and outdoor learning spaces
- Uphold a positive, encouraging, and inclusive learning environment

### Qualifications

- Experience teaching or leading children (formal or informal education)
- Ability to teach outdoor-based math and science concepts
- Comfortable working outdoors in all weather conditions

EST. 1799 BLACKSBURG, VIRGINIA

# LINKOUS-KIPPS HISTORICAL HOUSE

---

- Current First Aid and CPR certification (or willingness to obtain before start date)
- Ability to pass a clean background check
